

REMARKS

Prior to entry of this restriction requirement, Claims 1-56, were pending in the application.

In the Office Action, the Examiner required restriction under 35 U.S.C. §121 to one of the following groups of claims:

- I: Claims 1-28, drawn to a light detecting element, classified in class 463 and subclass 53 and 56; and class 356, subclass 3.06.
- II: Claims 29-56, drawn to gun simulation, classified in class 434 and subclass 16 and 18.

In response, Applicant elects, without traverse, Group II, containing Claims 29-56 for prosecution in this application. Applicant reserves the right to file a divisional application(s) to the non-elected claims.

It is respectfully requested that the Examiner contact the undersigned at the number indicated below if there are any questions regarding this response. Early and favorable consideration of this application is respectfully requested.

Respectfully submitted,

Paul J. Farrell
